

David Charles Anderson

January 7, 1951 — July 15, 2026

It is with deep sorrow and much love that we mourn the passing of David Anderson, who left us on July 15, 2026, at the age of 75. David's journey began on January 7, 1951, in Minneapolis, Minnesota, born to Charles and Faith Anderson, who predeceased him alongside his aunts and uncles. David's life was a tapestry of dedication, love, and service, woven together by the threads of family, friends, and a distinguished career. After graduating from Central High School, in Norwood, MN. David briefly attended Gustavus College before committing himself to the Navy in 1971. His service to his country was a calling that he answered with unwavering pride and commitment, returning to the University of Minnesota after an honorable discharge in 1975 to earn a degree in dental surgery. His passion for service led him to re-enter the military, this time with the US Army, where he proudly wore the uniform for over two decades, retiring as a board-certified prosthodontist with the rank of LTC in 2000. David's career did not end there; he joined a private practice in Columbia, South Carolina, before continuing his work with Dental Associates, in Green Bay, Wisconsin. Eventually, he settled in Florida to enjoy his golden years, surrounded by the warmth of the South and the love of his family. David was more than his accomplishments; he was a man of character, integrity and warmth, known for his quick wit, infectious smile and sarcastic, but never mean spirited sense of humor. He was unwavering in the protection of his family. A dedicated service member, a mentor to many, and most of all a beloved husband and father. His love for life was evident in his pursuits—whether riding his Harley Davidson, driving his Porsche, or playing golf with his daughter and friends. In 1987, David married the love of his life, Ute, in Charleston, South Carolina. Together, they built a beautiful life and family, raising their children Ian, Annika, and supporting Nicole. David is survived by his wife, Ute, his children, his sister Cindy (Ron) Skalicky, his nieces Shayna Anderson and Lauren Sietsema, his nephew Andrew Skalicky, and their families. He will also be fondly remembered by his lifelong friends, who were as dear to him as family. Service was integral to David's life, exemplified through his commitment as an Eagle Scout and nearly 30 years in the military. Yet, his greatest

devotion was to his loved ones, who were his world, just as he was theirs. In honor of David's life, the family kindly suggests donations to a charity of your choice, reflecting David's generous spirit and love for helping others. As we mourn his passing, we also celebrate a life lived with love, laughter, and an indomitable spirit that touched all who knew him.
